familiar burden in every home. The burden of a "bad back. A lame, a weak or an aching back Tells you of kidney ills.

Daan's Kidney Pills will cure you,

Here is Barre testimony to prove it. Mrs. Frank Jones of 106 South Main street, Barre, Vt., says: "Aboue five years ago I had such severe pains in my back that I could hardly get around the house. If I arose quickly after stooping I had spells of dizziness and dark spots before my eyes, while at night it was almost impossible for me to sleen. One day when my back ached to sleep. One day when my back ached so severely that I had to go around in a stooped position I was advised to get Doan's Kidney Pills at E. A. Drown's drug store. I procured a supply and commenced taking the remedy. In a few days I knew I was being benefited, for my back became stronger and better. I continued taking Dean's Kidney Pills until the pains in my back disappeared. I had no more dizziness since toen, when I have overworked or taken cold, there have been recurrences of the trouble in a mild form. I have then taken a few doses of Doan's Kidney Pills and they have never failed to re-

SHOOTING WITH MORTARS.

Hitting the Target Is Simply a Matter of Mathematics.

How do we hit with the mortars?

An observer near the shore who sees the target communicates the horizontal and vertical angle at which to lay the mortar and the instant of time at which to fire, and the gun does the rest. If you were standing at the center of a large clock dial haid flat on the ground and wanted to hit with a baseball a man walking around on the outside, you would notice how long it took the man to get from I to II and again from II to III. Policeman Went to Rescue of Imperiled Burglar

END OF LONG CHASE

New York Central Tunnel Opening, and Is Pulled from in Front of Train,

New York, March 14 .- A burglar hunt which began with a policeman shooting at a fleeing robber in the fashionable street and Park avenue early yesterday ended with the officer risking his life on the tracks in the New York Central tunnel to save that of the hunted

The alleged robber was snatched from death under a rapidly moving train, but he had been so severely hurt by jumping into the tunnel in an effort to escape his pursuit that he was taken to a hospital instead of to a prison cell.
